RWDM Girls on tour

Objectives and background

- Tour is part of the framework of realizing a Cruyff Court in Molenbeek
- Tour is part of the strategy for Molenbeek **#ChangeOurGame**
- Tour serves to contribute to unity and fraternization (and gaining international experience)
- In broader context this story is about people. How people, departing from a very negative situation, unite and focus on working together towards something positive: Cruyff Court Molenbeek

- RWDM Girls is a club consisting of 24 nationalities and the fastest growing women's soccer club in Belgium
- RWDM Girls contributes to emancipation and future prospects for the youth in Molenbeek, through its sportive- and social commitment
- RWDM Girls participate in the music contest for peace and connectivity **#ChangeOurGame** and will make video recordings during the days of the tour for their contribution to: <https://www.facebook.com/groups/Changeourgame/files/>
